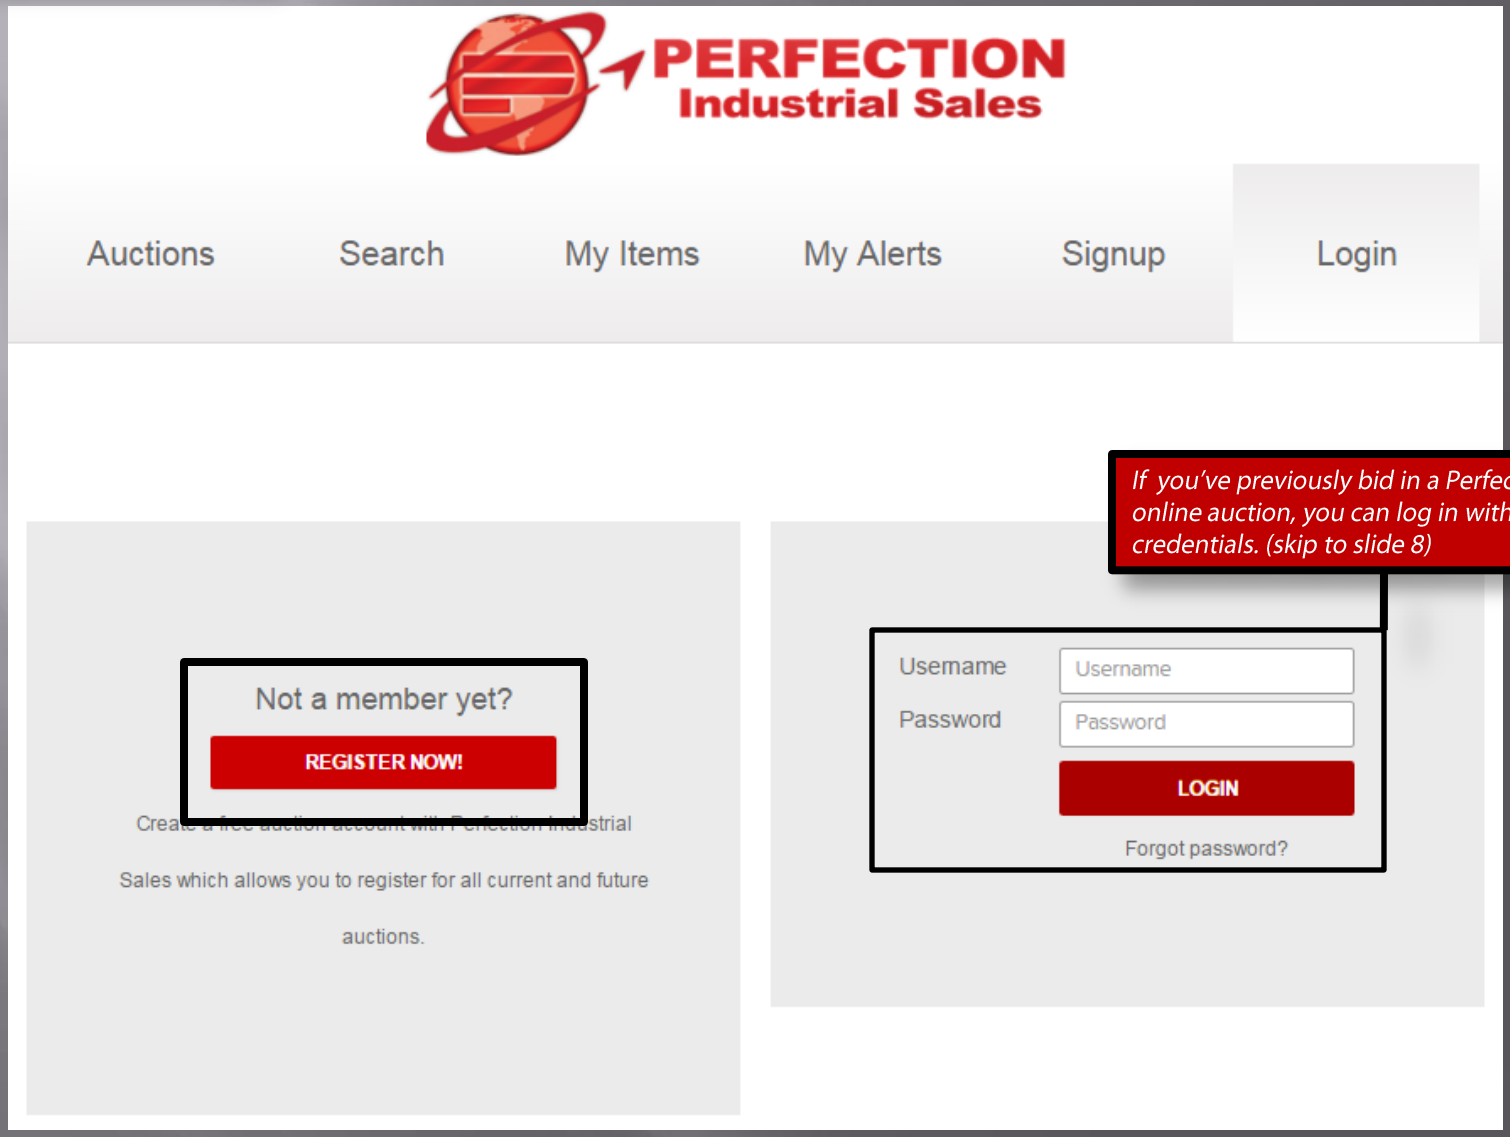
Register for Sale destination

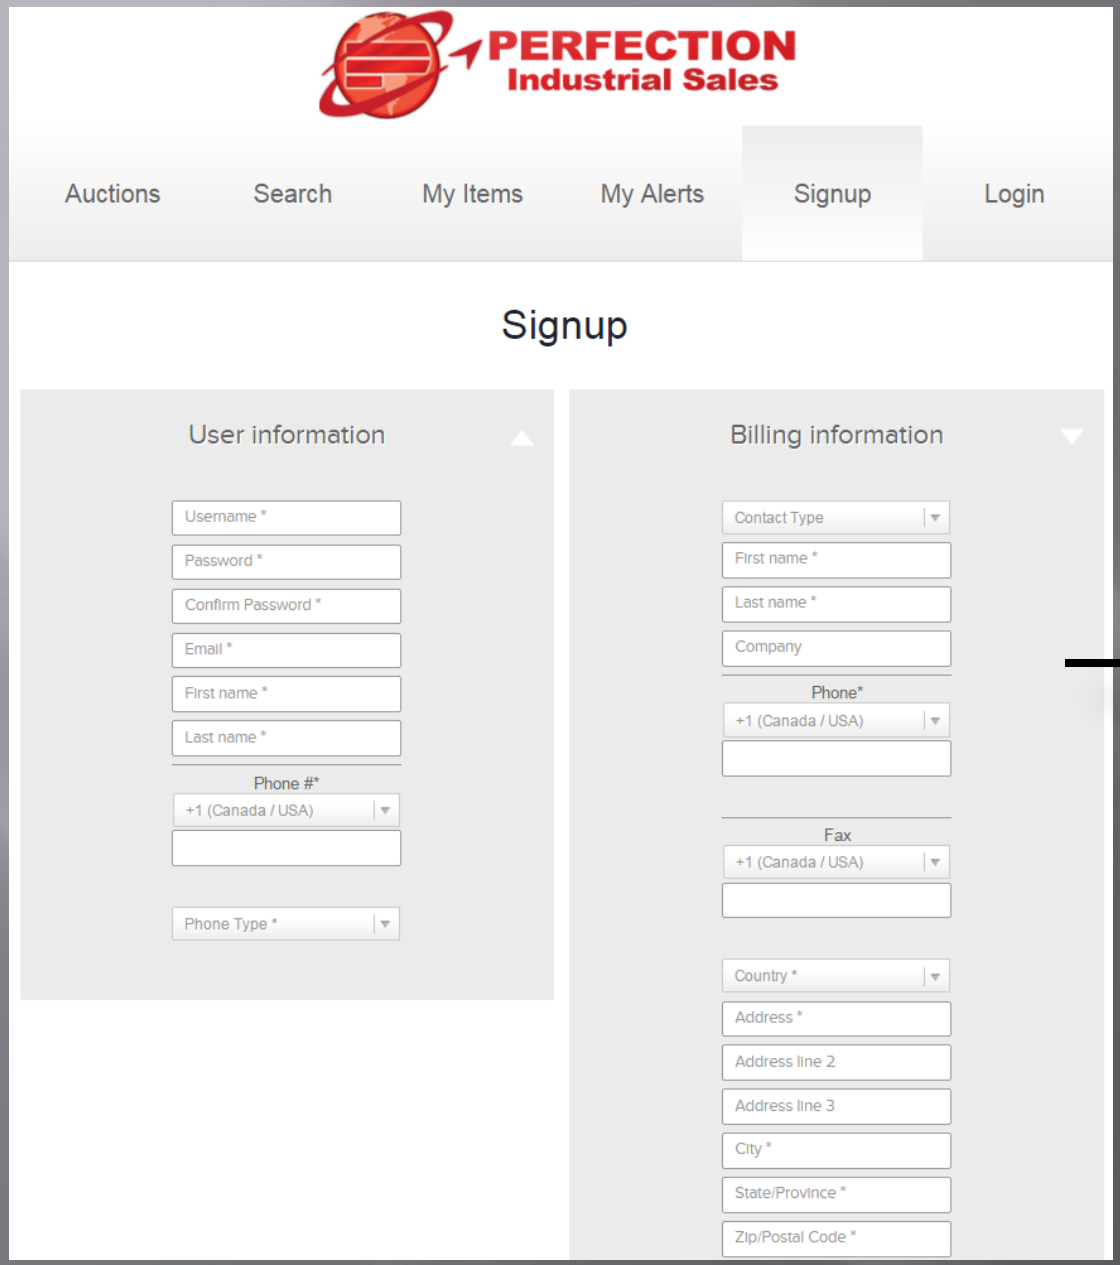
This auction platform can also be reached via **http://perfectionindustrial.auctionserver.net/m/**

Our online auction platform is now completely mobile responsive. Bid easily on your phone or tablet!

Creating an Account

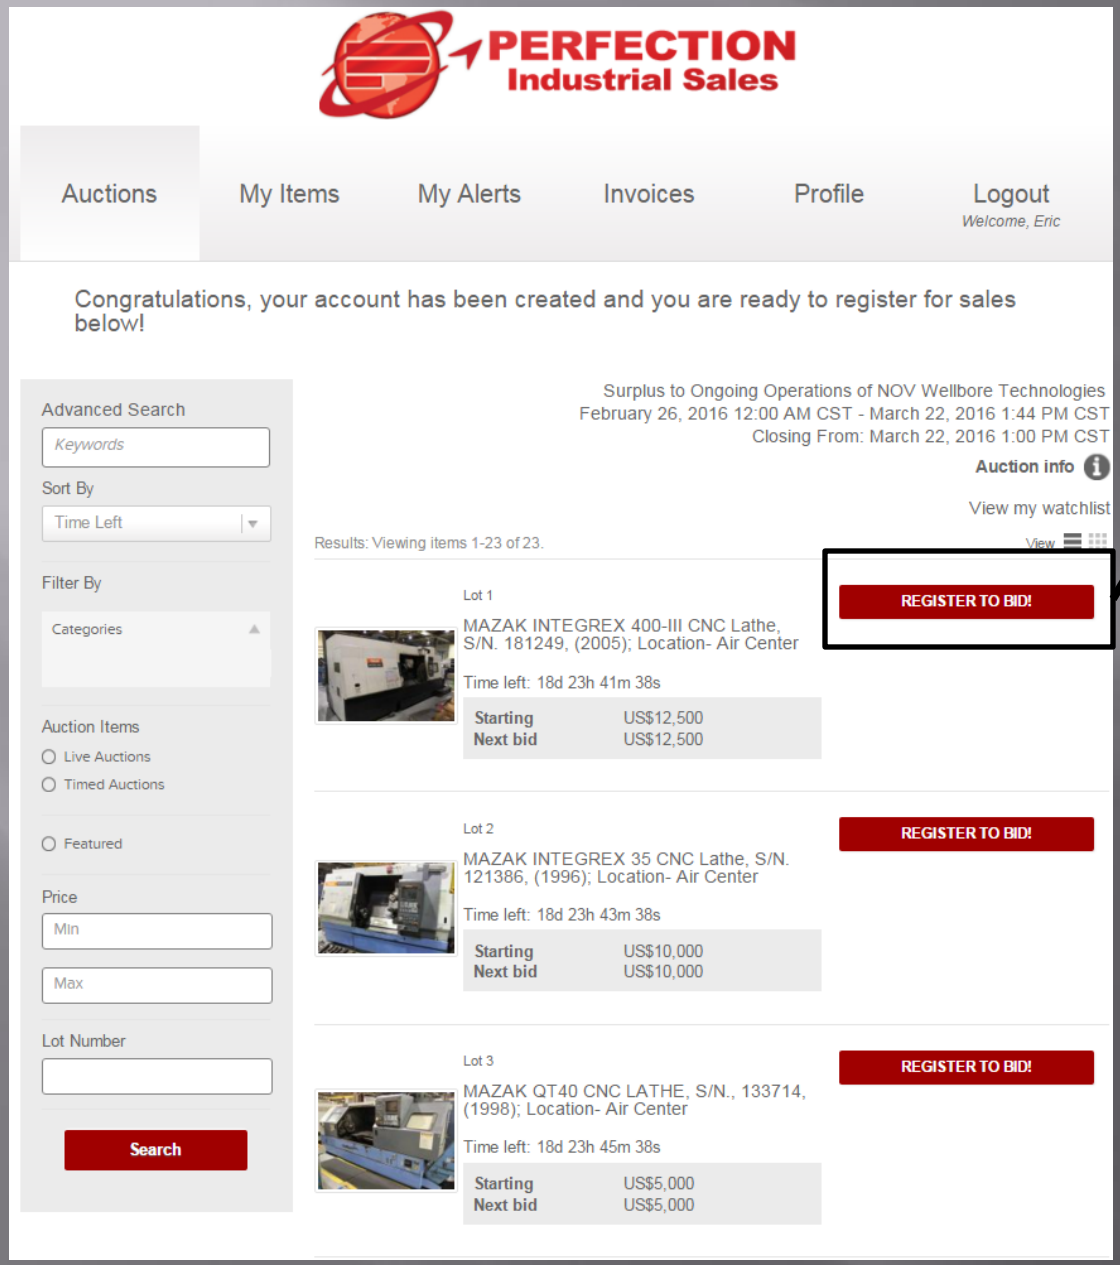


If you've previously bid in a Perfection Industrial online auction, you can log in with the same credentials. (skip to slide 8)



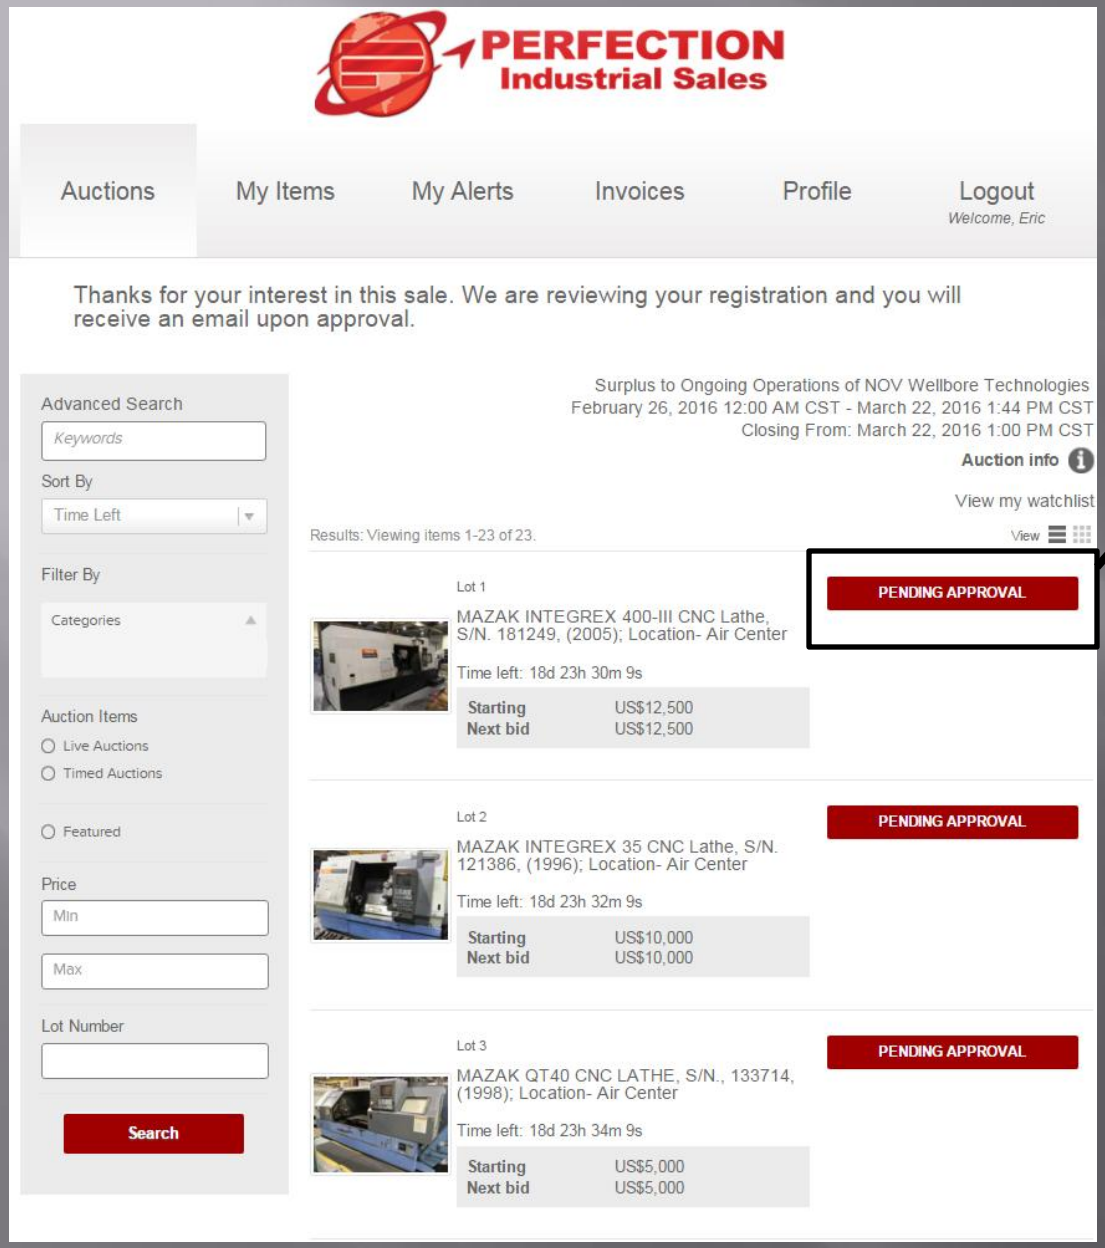
Creating an Account

Fill out the registration form as completely as possible. All fields marked with an asterisk (*) are required.



Register for Sale

After an account has been created, or you have logged in to a previously created account, you are able to freely register for any auctions you're interested in.



Register for Sale

After accepting the sale's terms and conditions, Perfection Industrial staff are notified of a pending auction registration. Auction approvals occur within 24 hours (almost immediately on the day of a sale). A member of the Perfection team may contact you if there is an issue with registration.

If there is a significant delay in your approval, please feel free to contact our auctions department at (847) 545-6374.

Once approved, you will be notified via email.

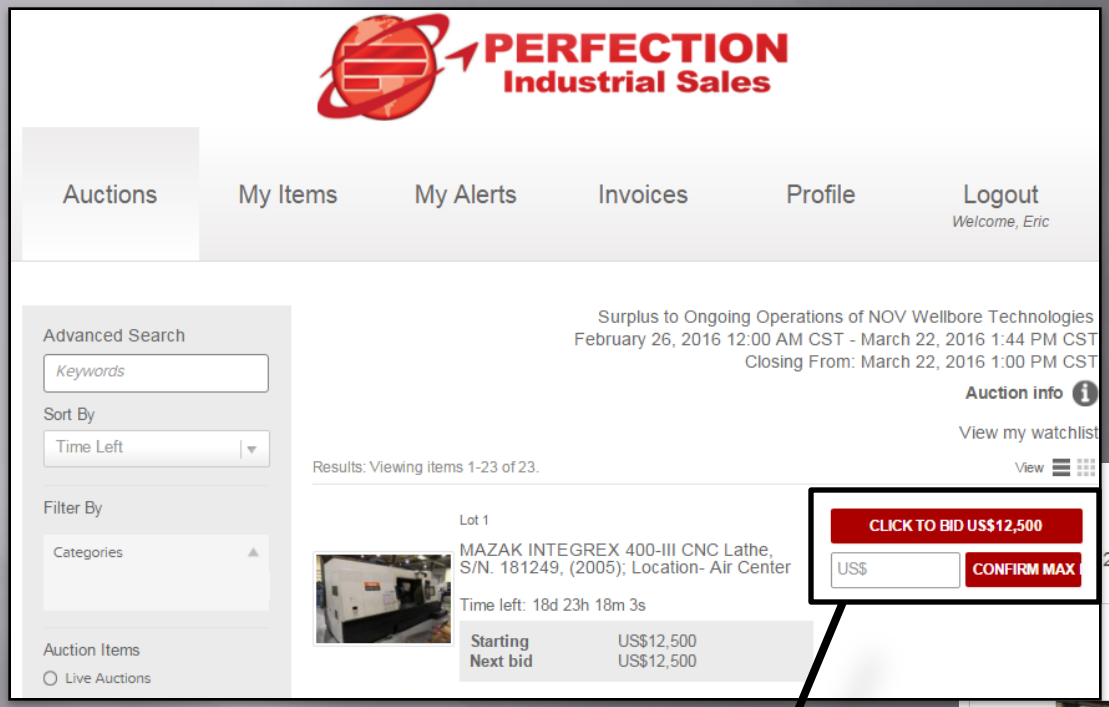
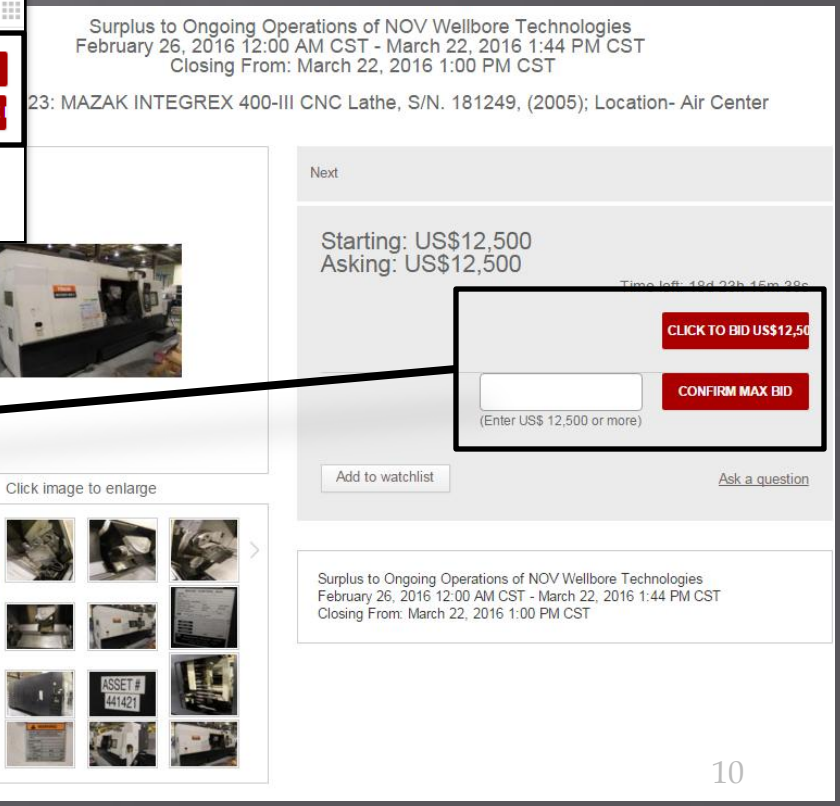
Bidding on Lots





Bidding on lots can be done from the main lot listing, or on a lot's details page. You can choose to bid the next bidding increment, or you can set a maximum bid if you are unable to monitor lots during the sale closing.

The winning bidder of each lot will be notified by email as soon as a lot closes.

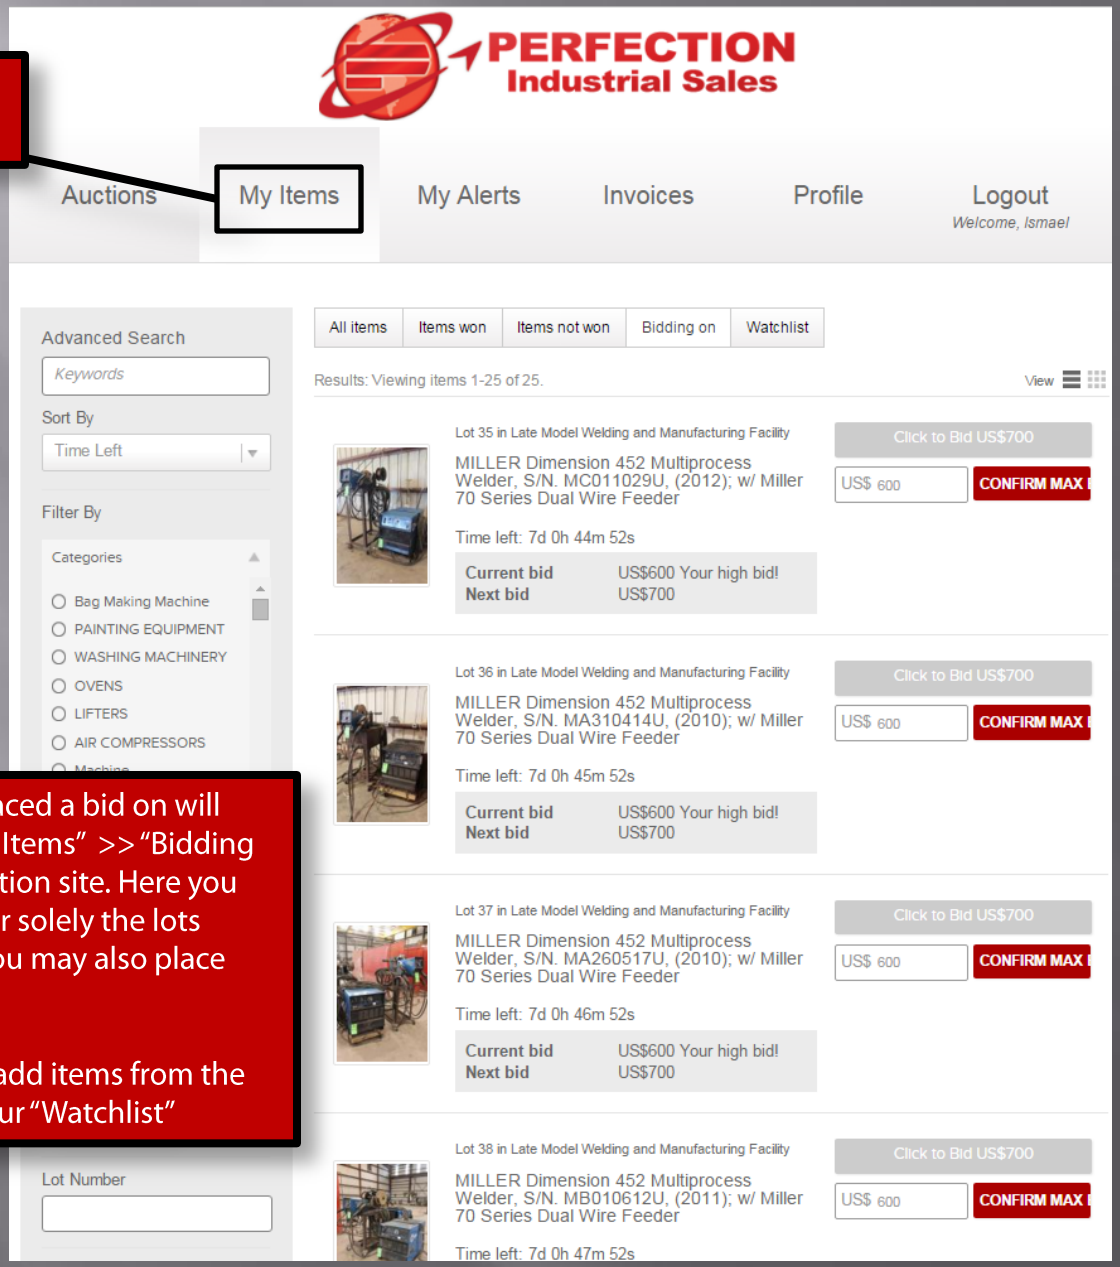
Bidding History / Watchlist



Any lot that you've placed a bid on will appear under the "My Items" >> "Bidding On" section of the auction site. Here you can follow progress for solely the lots you're interested in. You may also place bids from this screen.

Additionally, you can add items from the main lot catalog to your "Watchlist"

Thank you for bidding with
