

BUY from a trusted source

- We own one of the largest inventories of used machinery in the World
- Every machine is backed by Perfection's 46 years of continuing service
- Inspect most machines under power in our 86,000 square foot showroom 5 minutes from Chicago's O'Hare Airport

SELL your used machinery

- We buy single machines and entire facilities
- Turn surplus and idle assets into cash quickly and painlessly
- Use our Worldwide network and unmatched package of services to sell your machinery for top dollar

AUCTION complete facilities or single machines

- Turn your surplus or idle machine into cash quickly via live or online auction
- We have an extensive database built over 46 years and a Worldwide reach—the bigger the audience for your machinery, the better the return
- Avoid any disruption to your business with our convenient and highly effective online auctions

LIQUIDATE your assets on your schedule

- We can sell single items, small packages and entire facilities on an ongoing basis
- Sell the machines you are not using and keep the machines that you are using
- Our package of services and Worldwide reach ensure that you will get maximum value for the machines you want to sell

INVESTMENT RECOVERY for large and small companies

- Return more money to your company and eliminate surplus machinery burden
- We pay all costs and return more money to your bottom line
- Focus on your manufacturing objectives not surplus/idle machinery

RENT a machine and save thousands

- All of the machines in our enormous inventory are available for rental
- If you have a short run job, need extra capacity, or just need a machine for a short time period, machine rental is a great option
- Rental payments can be credited towards purchase of machine

FINANCE your purchase

- We offer attractive financing for every machine we sell
- Complete our online form to access up to \$150,000 instantly
- Use our flexible financing solutions for short term production situations, capital constraints or any financial hurdles you may encounter

APPRAISE your assets

- We perform appraisals for insurance, buyouts, financing and many other needs
- We have AMEA certified appraisers on staff to serve your every appraisal need
- With more than 46 years of experience buying and selling machinery we deliver much more than just an appraisal—we deliver expertise

The trusted used equipment source since 1963
